**Choose ONE of the following Saturday classes:**

**Scottish Dances in the Ballroom:** Appropriate for dancers who have been dancing at least 6 months, who are familiar with basic footwork, figures, and geography, and who are interested in learning new dances. This low-pressure and relaxed class will help dancers improve their abilities to dance from a briefing, focus on dance etiquette, and practice recovery skills.

**Challenge Dancing and Technique:** Suitable for dancers with more than 1 1/2 years' experience who are familiar with standard steps/formations, are able to dance from a talk-through, and are interested in improving technique. Dances may require a combination of high-energy movement and intense mental focus.

**Sunday Specialty Classes**

**Combined Class:** Low-impact dancing with Helen and Ellen.

**Round Table Discussion:** Helen Russell, Chairman of the RSCDS, will lead a discussion on current RSCDS activities, including the work of the committees and of the paid staff at 12 Coates Crescent, which aim to achieve the vision for the future of Scottish country dance.
